

**Labette County Board of Commissioners**  
**January 21, 2022**

**Convene**

Chairman Lonie R. Addis called the special meeting of the Labette County Board of Commissioners to order at 10:00 a.m. on January 21, 2022 at 8000 and Clay. Attendance: Lonie R. Addis, Present Cole J. Proehl, Present and Terry Weidert, Present

**Others Present for the Meeting**

Public Works Director Sandy Krider, Asst. Public Works Director Ralph George, Nolan Proehl, Carol Stegmeir, Lynette Stegmeir, Jesse Muller, Lisa Muller, Mark Muller.

**Discussion**

Sandy Krider, presented the right of way plans for bridge # 460, project # 19-5270, which outlined the amount of land needed from each landowner.

There was discussion on why the bridge needed to be replaced, during the last inspection the sufficiency rating was 40.7 and in poor condition.

Commissioner Addis explained how the County came up with the monetary figure to offer landowners for right of way.

Fencing was discussed, Mark Muller indicated that no temporary fence will be needed. After the bridge has been replaced a 6 wire fence to match the east side needs to be installed. There is no fencing on the south side of the project.

Sandy Krider contacted CFS Engineering to request that survey flags be placed so that the landowners could better visualize the needed right of way for the bridge project.

**Adjournment**

The meeting was adjourned at 10:53 a.m.
